Client Information

Thank you for participation in the program for Hair and Beauty students at this campus. Your participation enables our students to work through the program successfully.

Requirements

- All clients must complete an agreement and registration form prior to their first service. For each hairdressing service, models are required to bring four (4) hand towels only.
- Due to TAFE SA Occupational Health and Safety guidelines, we are no longer able to use client's personal styling products. Products will be supplied by us and are included in the fees.
- Whyalla beauty clients are not required to supply anything else unless otherwise instructed.
- Clients must represent their registration card to receive the service.
- Students are in a learning situation. Clients are asked to be patient and tolerant at all times.

Guidelines for Clients

- Services available are dependent on student availability and training occurring at the time.
- Children are not permitted in the salon or waiting area at any time.
- Hair longer than shoulder length is unsuitable.
- Please allow extra time for services by students.
- Appointments will be made with students who require models for that service.
- Any medical condition that is contagious will result in the service being cancelled.
- All services must be paid for at the conclusion of the appointment.
- No colouring services, including eye lash and brow tinting and artificial lash application, can be provided without an allergy test conducted 24-48 hours prior to each colour service.
- Allergy tests are conducted in the Hair and Beauty section only.
- Thank you for supporting our students in developing their skills to enable them to work in this exciting industry.
- Our success is judged by our clients. Please provide feedback to ensure our continuous high quality service.
