Course Admission Requirement (CAR)

tafeSA Government of South Australia

Certificate II in Maritime Operations (Coxswain Grade 1 Near Coastal) MAR20324

Student declaration

Water-Based Skills Requirements
The course includes practical activities that require students to participate in water-based activities. To safely participate, students must have the ability to perform the following activities.

Australian Maritime Security Authority (AMSA) Licensing requirements
This qualification is required to obtain an AMSA certificate of competency as a Coxswain Grade 1 NC as specified in Marine Order 505.

Please read the requirements carefully before completing this declaration.

Name:	
Date:	

I confirm that I am able to:

☐ **Remain afloat without a life jacket**
Remain afloat in the water for at least 5 minutes without wearing a life jacket.

☐ **Enter a life raft independently**
Enter a life raft without assistance from another person while wearing a life jacket.

☐ **Participate in water-based activities**
Participate in and complete water-based activities while wearing a life jacket for approximately 45 minutes.

I also confirm that:

☐ I have read the licensing requirements stated in the AMSA Guidance provided via the link - **Guidance Notice for Coxswain Grade 1 Near Coastal**

Declaration

I confirm that I have read and understood the water-based skills requirements and that I am able to meet these requirements.

I understand that these skills are required to enable me to safely participate in the practical components of the course.

If I am unsure whether I can meet any of these requirements, I understand that I should seek clarification from TAFE SA before commencing the course.

I understand I should clarify any licensing questions from TAFE SA before commencing the course.
