Welcome to Open Day

TAFE SA's Adelaide College of the Arts (AC Arts) is a hub for tertiary arts education in South Australia. Centrally located in Adelaide, next to Light Square, AC Arts is Australia's only tertiary institution housing the study of performing arts, visual arts and design all in one building.

Attend an information session to find the right course for you, chat to our expert lecturers about your study options and explore our purpose-built facilities which include industry standard performance and exhibition spaces, workshops and studios.

This thriving hub of creativity brings dance, costume, visual arts, photography, technical production, graphic design, screen and media, music and sound production all under one roof.

Find the freedom to create, imagine, design and perform in a supportive environment with like-minded creatives.

Gain real-world industry experience through our extensive network of industry partners including the State Theatre Company, Australian Dance Theatre, Adelaide Festival, Fringe Festival, Art Gallery of South Australia and Jam Factory just to name a few.
