When you complete your application you agree to a set of terms and conditions, including that TAFE SA reserves the right to review your current skills and enrol you at the most appropriate entry level for any course you may be offered. Further details on these terms and conditions can be found at tafesa.edu.au/offer-terms

For further information, contact student services or course coordinators at each campus, or visit the TAFE SA website.

TAFE SA offers a range of study options that may include:

- > face-to-face classes

You should check course and campus availability for your course by contacting your local campus or referring to the TAFE SA website.

Recognition of prior experience or study

Recognition of Prior Learning (RPL)

RPL is the acknowledgment of current skills and knowledge which you may have gained from a range of experiences including

work, volunteering, study and general life experiences. It is achieved through the assessment of evidence you provide against a set of criteria in a qualification. Fees apply.

For further information, refer to the TAFE SA website.

Credit transfer

Credit transfer is the formal recognition of studies undertaken elsewhere. TAFE SA has formal credit transfer arrangements in place with the university sector.

If you are eligible, credit transfer results in:

- > automatic status or credit in part(s) of a course/qualification, and
- > exemption from that part of the course.

Status granted through credit transfer is recorded on your student academic

record. There are no fees when applying for recognition through credit transfer.

For further information, refer to the TAFE SA website.

National recognition

National recognition is the recognition and acceptance by a Registered Training Organisation (RTO) of Australian Qualifications Framework Qualification Parchments and Statements of Attainment issued by another RTO in Australia.

TAFE SA accepts Australian Qualifications Framework Qualification Parchments and Statements of Attainment issued by other RTOs. There are no fees for national recognition.

University articulation

TAFE SA has many credit transfer agreements with universities which can shorten the time it takes to complete the university program. Details are available on the website.

Student enrolment

When you complete your enrolment you will be acknowledging that you have been provided with the information contained in this brochure and on the TAFE SA website.

Please ensure that you complete all enrolment sections so that we may support any specific study requirements you have. You are enrolled in a course once you have been selected, completed enrolment and arranged payment of fees.

You are encouraged to disclose any disability or ongoing health/medical condition that may require support. We can help you develop a personal access plan that will assist in your successful participation.

Re-enrolment policy

You may only enrol three times in the same units of competency and pay the government funded fee. You will need to pay full fees for further enrolments in the same units.

Student ID card

You will receive a student ID card from your local campus once you have enrolled and had your photograph taken. This card enables you to access many services including photocopying and printing, library loans, computer and internet login, and travel concessions (for full-time students).

Check with your local campus on the availability of these services. No refunds will be granted for any photocopy credits placed on this card. Should you lose your card and request a new one, charges may apply.

Internet user agreement

When you complete your enrolment you will be agreeing to abide by the internet user agreement. Information technology resources at TAFE SA are to be used in a responsible manner for study purposes only. TAFE SA monitors internet use and action will be taken for inappropriate use.

Library use

When you complete your enrolment you are agreeing to return by the prescribed due date any resources lent to you by the libraries of TAFE SA. You are also agreeing to pay for any damage, replacement or loss of resources lent to you by TAFE SA libraries. Failure to do so will result in a loss of library privileges and may prevent you from re-enrolling in a TAFE SA course. Your results may be withheld until the resources are replaced or paid for.

VISA holders wishing to study

Your eligibility to study and the fees charged are determined by your visa category. You must inform us if you are not an Australian citizen and you will be required to provide proof of your current visa status.

To access government subsidised training you must be an Australian or New Zealand citizen or a permanent Australian resident or the holder of a state sponsored visa on a pathway to permanent residency. Check skills.sa.gov.au/training-learning/check-your-eligibility/eligibility-explained#Visa for eligible visas. All other visas, if eligible to study in Australia, will pay full fees.

If you are unsure whether your visa category is permanent or temporary you can type your visa subclass number into the site search area of the Immigration website at border.gov.au and find out. If you are unsure, contact admissions@tafesa.edu.au

You must complete a withdrawal/refund/adjustment of fees application form and submit to your TAFE SA program support staff with supporting documentation to support your claim as soon as possible. Refer to the TAFE SA student fees policy for further information.

Acceptance of a place in a higher preference course

A full refund will be given if you provide evidence of a higher preference offer.

If your offer is with TAFE SA any fees paid will be allocated to the higher offer qualification in the first instance.
