

Access Plan Medical Practitioner Report

TAFE SA provides services, study and assessment accommodations/adjustments for students with disabilities or health conditions which aim to reduce the impact of these conditions in a learning environment. To assist TAFE SA in providing the most appropriate support for this student, could you please provide the following information in relation to the student whose agreement to this release of information is below:

Note: This form is not used for medical clearance purposes, but supports the implementation of reasonable adjustments.

I Student ID hereby give authority to my
Medical Practitioner to release information relating to my
disability/health condition to Student Services at TAFE SA.

Student's Signature 2019
