Please check with your local TAFE SA Hair and Beauty Campus for availability of courses.

Please Note prices are subject to change.

TAFE SA Hair and Beauty program can offer you, vocational education and training (VET) for Schools as part of our nationally recognised training package and is available to students from years 10 to 12 as part of their normal school curriculum.

The Hair and Beauty VET for Schools program helps students:

- develop practical, industry-specific skills
- develop an understanding of the world of work
- gain a nationally recognised qualification.

VET study also counts towards the South Australian Certificate of Education (SACE) and is the perfect pathway into further Hair and Beauty study at TAFE SA, or it can prepare students for employment or gaining an apprenticeship or traineeship.

Our short courses provide you with a taste of the Hair and Beauty Industry; they give you a good understanding of the scope and career options the Industry can offer you.

Students can continue their studies onto Certificate II in either Hairdressing or Beauty including Make-up and Nail Technology.

Our teaching practices include workshops, tutorials, and demonstrations, online spaces, forums, electronic portfolios, online classes and face-to-face delivery, all designed to engage the student and assist with reaching their goals.

All of our courses are taught by highly qualified industry professionals supported by real salon experiences in our Hairdressing Salons and Beauty Clinics.

We encourage and welcome you to view our training facilities and meet with our trainers. For more information visit: [tafesa.edu.au/h&b](http://tafesa.edu.au/h&b)
