

Entry Portfolio: Diploma of Graphic Design

As part of the course admissions requirements for the Diploma of Graphic Design, you must provide a portfolio which showcases your technical skills and ability to:

- produce multiple examples of graphic design work that respond effectively to different design challenges
- produce typography that supports the overall design solution
- use graphic design industry software

You may have acquired these skills during formal study (such as year 11/12) or through personal or work experience.

Portfolio Content Guide

Your **folio** must include all of the following items:

- A poster that contains a manipulated graphic/image, header and body text.
- A logo design that is applied to a business card.
- A small brochure that contains a substantial amount of text and imagery.
- For each item you must show **rough sketches** and provide a **written rationale** (max 250 words per brief) that describes:
 - The design brief and how your design solution meets it.
 - The typefaces, image, colours and other elements used and why they are appropriate for this particular design.
 - The process you followed including any research undertaken.
 - The software that you used such as Adobe InDesign, Photoshop and/or Illustrator.

How to Prepare your Portfolio

Please use one of these three options to prepare and submit your portfolio:

1. **Compile a Single PDF file** that contains all your design examples and rationales. It should be no greater than 10MB in size. **OR**
2. **Create an Online Portfolio** using a website or portfolio site such as www.behance.net or www.theloop.com.au. If using this option make sure you include the rationales and rough sketches with each example.
3. **Individual Image Files (jpegs) plus a Text Document** that contains the rationales. Put them in a folder and compress/zip making sure the size is no more than 10MB.

How to Submit your Portfolio
