tafeSA

Government of
South Australia

ACKNOWLEDGEMENT OF COUNTRY

TAFE SA acknowledges the traditional owners of the land.
It is a privilege to be sharing this land on which we live, work and learn.

We recognise that this land has always been a place of teaching,
learning and knowledge sharing.

We acknowledge the deep and enduring spiritual connection the
First Nation's people have to this land and their ongoing contributions
to education.

TAFE SA recognises that Aboriginal and Torres Strait Islanders have
maintained their culture, heritage, beliefs, languages, and lores and these
are of ongoing importance.

We commit ourselves to learning from the wisdom and knowledge
of the Traditional Owners and to fostering a spirit of respect, inclusivity,
and reconciliation within our community.

WHY TAFE SA?

I AM AN INTERNATIONAL STUDENT WHO IS...

A SCHOOL STUDENT

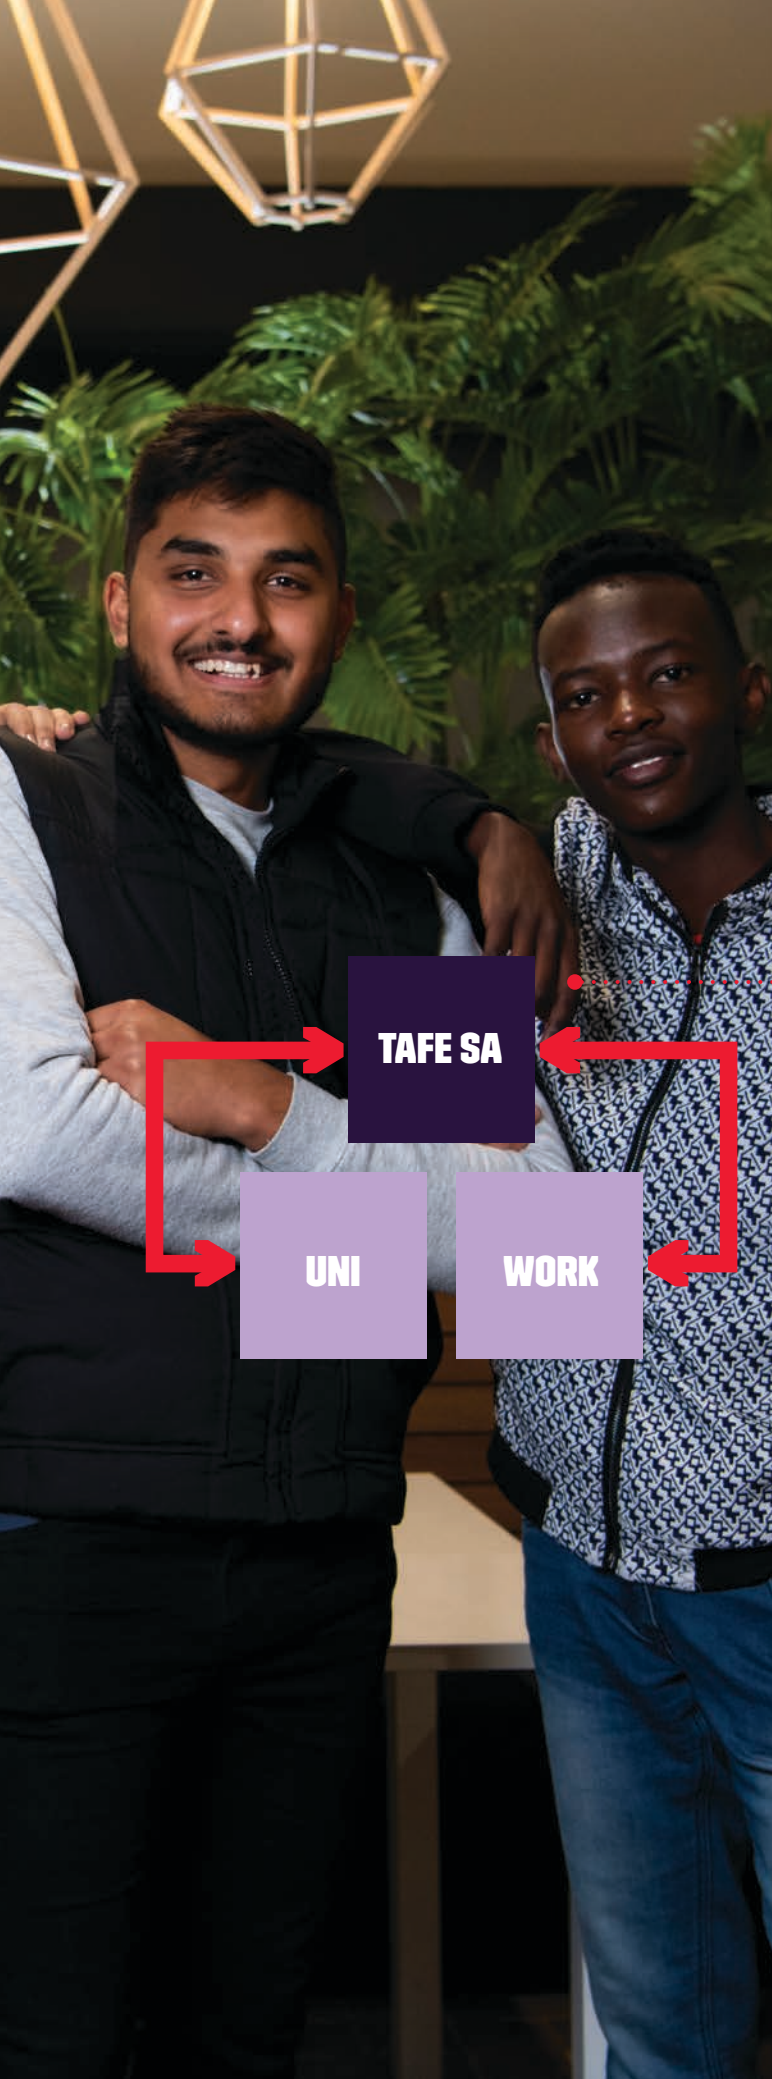

TAFE SA has everything you need to figure out your next steps in life. With a diverse range of qualifications, course areas, and essential student support services, we can assure you and your loved ones that you are in capable hands.

READY FOR TERTIARY STUDY

Whether you are looking for an award course, a packaged pathway to university or simply wishing to improve your English language skills, we have courses to suit.

ALREADY IN THE WORKFORCE

Enhance your skills to switch or boost your career. With suitable course durations and hands-on training, you can get where you want to go faster.

I WANT...

QUALITY EDUCATION AND SUPPORT

At TAFE SA, our lecturers are all highly experienced, as well as active in their fields of expertise. With class sizes mostly between 15 and 20 students, you will experience a more rewarding study journey through increased personal assistance and attention.

INDUSTRY CONNECTIONS

Our courses are designed with industry requirements in mind. Many courses include industry work placements as part of the course program. These work placements give you first-hand experience of the workplace, allowing you to test your skills and make valuable industry contacts.

REAL SKILLS

Our teaching methods blend theory with hands-on, practical learning using industry-standard facilities and technology, so when you complete your course, you are job-ready.

A PATHWAY TO UNIVERSITY

Secure your future with a TAFE SA University Packaged Program, where you can gain guaranteed* entry into a connected university degree after successfully completing a TAFE SA qualification. Credit transfer is also available for many courses.

ENGAGING EXPERIENCES

From your arrival until graduation, we want you to make the most of your time with us. You will always be in-the-know about what's going on around campus and in Adelaide. Join free webinars, events and social programs to meet students from TAFE SA and other institutes. Visit studyadelaide.com

A COMPETITIVE EDGE

Even if you already have a university degree or years of work experience, learning practical skills and gaining an understanding of the most recent advances in your field gives you a competitive edge in the job market. Qualifications from TAFE SA are recognised throughout Australia and in many other countries.

*Guaranteed only if students meet the minimum requirement to transfer to the applicable university.

TOP REASONS TO CHOOSE TAFE SA

1. QUALITY

Our qualifications are nationally recognised and give you the skills that employers want. We consult with industry and regularly update courses to ensure they are relevant, and of the highest quality.

2. HANDS-ON

TAFE SA courses are known for being highly practical to provide the real skills you'll need to succeed in your chosen career.

3. TRUSTED

Attend a trusted government-backed educational institute with some of the most impressive training facilities in Australia.

4. EXPERT

Our award-winning lecturers are experts in their field. We provide hands-on, job-ready learning thanks to our close ties with industry.

5. POINTS FOR PRIOR LEARNING

We recognise prior learning and experience, which may reduce your length of study and costs.

6. WORLD CLASS

Access the latest learning technologies through our unrivalled and award winning specialist education centres.

7. CHOICE

We have courses available to support almost every interest or career path.

8. AFFORDABLE

TAFE SA courses may be more affordable and take less time to complete than a university degree.

9. LOCATION

TAFE SA is located in Adelaide, where transport is accessible and everything is never too far away.

AWARD WINNING

Best Wine Educator 2020

QUALIFICATIONS EXPLAINED

From basic skills to high level qualifications – we've got you covered.

CERTIFICATE III

Be able to use theoretical knowledge and problem-solve independently.

CERTIFICATE IV

Use your broad knowledge base to analyse and apply skills to different contexts.

DIPLOMA

Acquire in-depth knowledge and advanced skills to work in technical or management settings.

ADVANCED DIPLOMA

Apply complex techniques and specialist knowledge and be responsible for outcomes.

ASSOCIATE DEGREE

Understand and interpret key concepts and theories in a chosen field.

BACHELOR DEGREE

Apply skills based on comprehensive knowledge learnt in a professional context.

HIGHER EDUCATION

International students can choose to study a higher education course at TAFE SA. This qualification provides students with the skills and conceptual background needed to operate in complex situations.

TAFE SA DEGREES

A TAFE SA bachelor is equivalent to a bachelor offered at an Australian university and is accredited by the national higher education regulator. Our applied learning approach and small class sizes means a more facilitated higher education learning environment and additional interaction with your fellow students and lecturers.

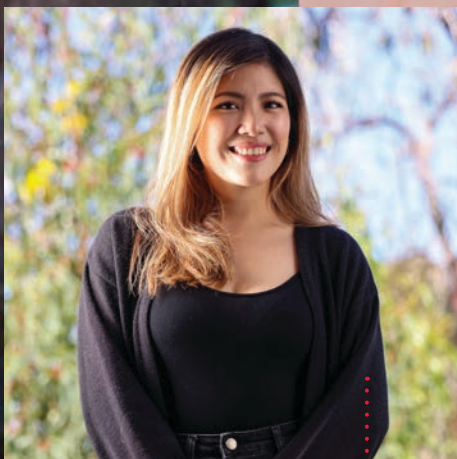

TAFE SA ASSOCIATE DEGREES

A TAFE SA associate degree gives you options. Study at this level will prepare you to go into the workforce immediately as a highly skilled employee, or you can go on to study at university in a related field using the credits you earn from your studies in the associate degree.

HIGHER EDUCATION COURSES FOCUSED ON INDUSTRY

We have courses to fulfill your study needs and support your future career path in:

- > Electrical and Renewable Energy
- > Tourism, Hospitality and Events Management
- > Civil, Structural and Mechanical Engineering
- > Electronics and Communications

66

I chose to study the Bachelor of Tourism, Hospitality and Events Management [CRS1400588] because of my passion for travel and learning about different cultures. Growing up in the Philippines, where my family often travelled across the country's many beautiful islands, I developed a deep appreciation for tourism. Studying in Australia has been the perfect starting point, offering great opportunities in the sector. I've particularly enjoyed learning about Health and Safety, Customer Service Excellence and Marketing, which have been valuable in my current work. My goal is to build a career in the events industry, where I can thrive in a dynamic, fast-paced environment.

JOY, PHILIPPINES

99

WHY TAFE SA FOR HOSPITALITY, TOURISM & EVENTS?

With a strong focus on business and management skills, the Bachelor of Tourism, Hospitality and Events Management (099074G/CRS1400588) offers you a competitive edge for leadership and management careers in Tourism, Hospitality and Events, both in Australia and Internationally.

The course offers many highlights:

- > On campus delivery with small class numbers for greater collaboration with peers and support from lecturers.
- > Lecturers who are committed to quality, high-level education.
- > Live case studies and current industry concepts applied through theoretical academic study.
- > Various opportunities for industry engagement throughout the course.
- > Close industry liaison ensuring the design of the program is up-to-date and matches the demands and expectations of professional organisations.

TAFESA.EDU.AU/INT-HIGHER-ED

TAFESA.EDU.AU/INT

ASSOCIATE DEGREES IN ENGINEERING

TAFE SA Associate Degrees are accredited by Engineers Australia and are located at level 6 of the Australian Qualifications Framework.*

A TAFE SA associate degree is a two-year full time Higher Education course. Study at this level to obtain strong grounding and practical experience so you graduate job ready to enter into the workforce immediately as a highly skilled employee, or you can go on to study a Bachelor of Engineering at university using the two years credit you earn from your studies in the associate degree... it's the best of both worlds.

PRACTICAL EXPERIENCE

The associate degree provides you with opportunities to get job ready through:

- An experiential learning approach, with laboratory practice and project-based activities.
- Optional industry work experience.
- Industry visits and professional seminars from those in the know.
- Guest industry speakers on topics that will complement your studies.

*See TAFE SA website for details.

WHO IS THIS STUDY FOR?

- The purpose of the Associate Degree qualification type is to qualify individuals who apply underpinning technical and theoretical knowledge in a range of contexts to undertake paraprofessional work and as a pathway for further learning. An associate degree offers excellent support in the transition from high school to a university environment through smaller class sizes and more support from the academic staff due to more contact hours.
- Graduates of vocational education courses who wish to further develop their skills and knowledge and extend their area of expertise to a higher level. These qualifications also provide more efficient and substantial pathways to relevant university degree courses.

Australian
Qualifications
Framework

ASSOCIATE DEGREE COURSES

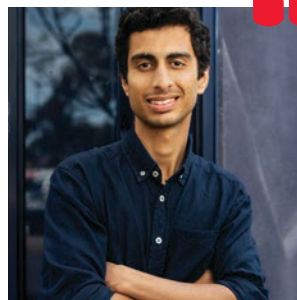

- > Associate Degree in Electrical Engineering (092137K)
- > Associate Degree in Civil and Structural Engineering (Design Drafting) (092138J)
- > Associate Degree in Mechanical Engineering (117357K)
- > Associate Degree in Electronic Engineering (066407J)
- > Associate Degree in Biomedical Engineering (092136M)

Associate Degree Courses are accredited by Engineers Australia.* These qualifications are recognised in Australia and some overseas countries. *Mechanical Engineering in progress.

Graduates of Associate Degree Courses are eligible for migration skills assessment by Engineers Australia. The occupational outcome of this assessment is in the Engineering Associate category. The specific occupation code depends on the program studied and on the Engineers Australia guidelines. See the Engineers Australia website for further details.

An Engineering Diagnostic Test will be conducted during the orientation and induction program to test a student's sufficient and required technical skills for academic success. The results may affect the commencement in the Associate Degree Courses.

Associate Degree Courses have computer equipment requirements as outlined in the offer letter or the TAFE SA course home page. More specific details will be provided after commencement.

“

I am grateful for my experience at TAFE SA, where I gained the practical skills and knowledge essential for a career in civil and structural engineering. The hands-on learning and industry connections have given me the confidence to take the next step in my journey, which is pursuing a Bachelor's degree in Civil and Structural Engineering at university and working towards becoming a professional engineer.

**HASSAN ALI, PAKISTAN
TAFE SA GRADUATE**

”

UNIVERSITY PACKAGED PRODUCTS

TAFE SA has partnered with South Australian universities to offer packaged programs in Engineering. This allows students to accept a joint packaged offer with the university, with guaranteed entry and significant cost saving.

EXAMPLE OF SAVINGS

Maria wants to complete a Bachelor of Engineering (Honours) at university. This will cost her around \$52,300* (AUD) for each year of the four-year degree, or around \$209,200 (AUD) overall.

Maria has chosen to study the Associate Degree in Electronic Engineering (066407J/CRS1400029) at TAFE SA which costs around \$21,135* (AUD) a year or around \$40,270 for the two-year course.

When Maria completes her TAFE SA study, she will gain two years credit to go on to complete her Bachelor degree at university in two years.

By the end of the four years, Maria will have earned two qualifications: an Associate Degree in Electronic Engineering (066407J/CRS1400029) and a Bachelor of Engineering from one of Adelaide's top universities, all while making significant financial savings.

DUAL QUALIFICATION TAFE SA + UNIVERSITY

UNIVERSITY

1st year TAFE SA	\$20,135	1st year University	\$52,300
2nd year TAFE SA	\$20,135	2nd year University	\$52,300
3rd year University	\$52,300	3rd year University	\$52,300
4th year University	\$52,300	4th year University	\$52,300
Total (in AUD)	\$144,870*	Total (in AUD)	\$209,200*

*Estimate only, check TAFE SA and University websites for current course costs.

TAFESA.EDU.AU/INT-HIGHER-ED

TAFESA.EDU.AU/INT

PATHWAYS TO UNIVERSITY

TAFE SA is a great option if you:

- > **prefer the hands-on and supportive learning environment**
- > **are seeking an alternative entry to university.**

CREDIT TRANSFER

TAFE SA has many credit transfer agreements with universities for TAFE SA graduates. These can provide some advanced standing in university courses if you wish to undertake further education.

Gaining credit at university for the related study you have undertaken at TAFE SA can reduce the time and fees usually required to complete a bachelor degree. To claim credit, you must apply to the university in accordance with their credit transfer processes. If there is no formal credit agreement for your course, you can apply directly to the university for credit and they will assess your evidence on a case-by-case basis.

Being eligible for credit does not guarantee that you will be offered a place in a university program. Credit will normally be granted after you have been offered a place.

tafesa.edu.au/credit-transfer

UNIVERSITY PACKAGED PROGRAMS

Our packaged programs with Flinders University and Adelaide University offer you an alternate way of achieving your end goal of a bachelor's degree.

Successful completion of a TAFE SA diploma, advanced diploma or associate degree guarantees* you entry into a connected undergraduate program at one of Adelaide's finest universities. It may also reduce the length of time you are required to study at university and therefore the cost of your bachelor's degree.

By applying for a University Packaged Program, students receive a joint offer from both TAFE SA and their South Australian university of choice and may apply to the Department of Home Affairs for a single visa for the duration of the whole study program.

*Guaranteed only if students meet the minimum requirement to transfer to the applicable university.

ADVANTAGES OF A UNIVERSITY PACKAGED PROGRAM

University Packaged Program students often benefit from shorter study durations, and competitive tuition fees.

Other advantages include:

- A guaranteed* pathway to university for students who have not quite met the requirements for direct entry.
- Gain industry connections during your studies at TAFE SA that can lead to part-time employment in your field of study for the duration of your university studies.
- Graduate with a career-competitive mix of practical and theoretical skills, which is attractive to employers.

HOW TO APPLY

If you are applying for a South Australian university packaged program, you only need to submit one application to TAFE SA.

To apply for a university package or find a mutual education agent of TAFE SA and one of our partnering universities visit **tafesa.edu.au/int-uni-pathway**

SPECIALIST CENTRES

Access the latest learning technologies through our unrivalled and award-winning specialist education centres and discover our new virtual learning experiences.

ADELAIDE COLLEGE OF THE ARTS

Purpose-designed to achieve excellence in arts training, the Adelaide College of the Arts is where students can live and breathe their passion for arts and design. At every turn you'll find highly specialised spaces to hone your talents and develop practical skills – from film and TV, computer-generated imagery (CGI) and visual effects (VFX), digital media, and sound and technical production, to acting, dance, visual arts, fashion, and photography.

TONSLEY

TAFE SA's Tonsley campus provides nearly 45,000m² of world-class, energy-efficient, trade training infrastructure for the \$15 billion South Australian building and construction industry. Tonsley brings together all the building trades under one roof, enabling you to learn and work together with other trades, just like you would on a real work site.

TAKE A VIRTUAL CAMPUS TOUR

Explore TAFE SA campuses with our 360° virtual tours at tafesa.edu.au/locations/virtual-campus-tours

REGENCY INTERNATIONAL CENTRE

Immerse yourself in the world of cookery, hospitality, bakery, and food processing at the Regency International Centre. Boasting a state-of-the-art brewery, cheese making facility, coffee academy, wine sensory rooms, training bars and restaurants, commercial kitchens and bakeries, students learn in-situ gaining real hands-on experience.

MINING, ENGINEERING AND TRANSPORT CENTRE

Access the latest technologies in learning at the Mining, Engineering and Transport Centre. This purpose-built training facility supports the growth in the mining, civil and mechanical engineering, advanced manufacturing, transport, and defence industries. Facilities include high-bay workshops, practice drill rig and drill pad, land information systems survey equipment and computer software, CAD suite, advanced manufacturing 3D scanning and printing facilities, CNC mills, guillotines, and plasma cutters.

CENTRE FOR DENTAL STUDIES

The Centre for Dental Studies is a 36-station dental laboratory which includes CAD-CAM technology, and a 28-chair dental clinic with a demonstration area that utilises intraoral and extraoral cameras.

URRBRAE

Located close to the city and set amongst micro-wetlands, Urrbrae Campus is equipped with gardens, greenhouses and equipment for hands-on training in Primary Industries and Sciences. Courses in Horticulture and Conservation and Ecosystem Management have been developed in collaboration with industry, ensuring that you receive sought-after skills that can result in highly successful employment outcomes.

TRAINING AND SECURITY OPERATIONS CENTRE

Learn how to prevent cyber-security attacks at TAFE SA's Training Security Operations Centre (TSOC). The facility provides hands-on simulated training for highly sought-after cyber security professionals to help stem the worldwide growth of malicious cyber activity.

TSOC is the first of its kind in the state's VET sector – with a red 'attack' room and a blue 'defence' room – that mirror real-life scenarios, simulations, testing opportunities and interaction with other TSOCs across the country. It also features the latest hardware and software from a variety of industry partners including CISCO, Microsoft, Fortinet, Splunk, IBM, HP Aruba, VMWare, AWS, and Palo Alto.

DISCLAIMER

As TAFE SA courses are continually being developed, improved or replaced, you are advised to confirm all details of the course on the website tafesa.edu.au/international before application. Every effort has been made to ensure that the information contained in this publication is accurate at the time of printing. TAFE SA may amend details without notice and for any reason in response to changing circumstances. Further, TAFE SA, reserves the right to change the content, course fees or the method of presentation of any course, or to withdraw any course that it offers.

UNIVERSITY PACKAGED PROGRAM DISCLAIMER

All durations are approximate. Credit given towards a university program may reduce overall course duration and/or study load. TAFE SA, Flinders University, and Adelaide University course fees may be subject to yearly increases. For some pathway courses, students are required to take certain electives during their TAFE SA qualification to be eligible for the full credit amount.

NEXT STEPS

Found your perfect course? Now it's time to find it online. Visit the TAFE SA International Courses web page and choose your desired study area. Explore our course options to see which one is right for you.

Alternatively, ENQUIRE NOW to speak to a TAFE SA team member about your future study plans.

Information on intake, entry requirements and costs is available online for each course. You can also find information about recognition of prior learning, assessment methods, fees and refunds, student visas, Overseas Student Health Cover and more by visiting tafesa.edu.au/int-before-starting

ENTRY REQUIREMENTS*

The table below states the minimum academic entry requirements for international students at TAFE SA.

TO APPLY FOR	REQUIREMENT
Certificate III course	Satisfactory completion of Australian Year 10 or equivalent in your country
Certificate IV course	Satisfactory completion of Australian Year 11 or equivalent in your country
Diploma, advanced diploma, associate degree or bachelor course	Satisfactory completion of Australian Year 12 or equivalent in your country

ENGLISH LANGUAGE ENTRY REQUIREMENTS

The minimum IELTS (or equivalent) score for entry to most TAFE SA courses is an academic IELTS of 6.0 with 5.0 in all bands, or equivalent. If you do not meet the TAFE SA English language entry requirements, you may undertake an English language course at the English Language Centre of TAFE SA or another approved provider. The English Language Centre offers English language training for students planning to study at TAFE SA or another Australian education institution.

Please visit tafesa.edu.au/int-entry-reqs for further information.

To find out more about entry into our courses and if your overseas qualification is recognised as being equivalent to Australian Year 10, 11 or 12, please visit tafesa.edu.au/int-entry-reqs

*Entry requirements may vary for individual course or country.

TAFE SA ENGLISH LANGUAGE CENTRE

TAFE SA's English Language Centre (ELC) is located in the heart of Adelaide and offers affordable, intensive English language programs tailored to suit all student needs. Its programs can provide entry into TAFE SA courses, as well as many undergraduate and postgraduate courses at The University of Adelaide, Flinders University and the University of South Australia. Or they can simply be used to improve your English while you are travelling or working in Australia.

Please visit tafesa.edu.au/elc for course information.

EVIDENCE OF ENGLISH LANGUAGE REQUIREMENTS

For admission to a TAFE SA course, international applicants are expected to be proficient in English. This can be proven through:

- > Passing an approved test
- > Completing an English (ELICOS) course
- > Meeting an approved alternative requirement.

Please visit tafesa.edu.au/int-entry-reqs for more information on English requirements and equivalent tests.

SPECIAL ADMISSION REQUIREMENTS

Some courses, such as our bachelor degree, associate degrees and nursing program, have special admission requirements that you will need to consider. This may include:

- > successful completion of certain subjects
- > a specific pass level in certain subjects
- > an IELTS score higher than 6.0 or above may be required for certain subjects.
- > presentation of a portfolio or audition
- > passing an assessment or a test set by TAFE SA.

You should always check the requirements for your chosen course before you apply.

LIVING IN ADELAIDE

Where to live is an important decision when you move to a new city. For most people, rental and transport costs are important, along with finding somewhere close to your campus, workplace and other facilities.

TAFE SA international students choose between purpose built student housing, homestay and private rental. Consider creating a weekly budget, like the table below, to help narrow down your options.

PURPOSE-BUILT STUDENT HOUSING

There are many different types of purpose-built student housing in Adelaide, like individual studio apartments, shared apartments or dormitory accommodation. These often include internet access, utilities, furnished apartments and other services. One example of affordable student housing is Regency International House. Located on Regency Campus, the villa-style complex draws on the very best in tertiary education housing. Each villa houses four students within which students can create their own "home away from home".

See tafesa.edu.au/int-accommodation

HOMESTAY

Homestay is living with an Australian host family. It is a great way to experience Australian life and practice your English in a welcoming environment. As a homestay student, you will have a bedroom with linen and a place to study, and you will share a bathroom, kitchen and other facilities with your host family. Most homestay hosts provide meals, or you may need to provide and prepare your own food. Visit Australian Homestay Network homestaynetwork.org

PRIVATE RENTAL

You can rent a house or apartment anywhere you like. On top of your weekly rent you will need to pay for utilities such as electricity, gas, water and telephone. Many students enjoy living in a shared rental home, as it is a good way to live independently while sharing these costs. If renting, you may need to sign a lease agreement with your landlord and pay a refundable bond in advance. Go to sa.gov.au/topics/housing/renting-and-letting for more information about your legal rights and obligations as a tenant or adelaidestudenthousing.com.au for accommodation listings.

*Indicative costs \$AUD. More information about living costs: studyadelaide.com/life/cost-of-living

WEATHER

South Australia has a temperate climate with four distinct seasons. With moderate winters and warm to hot summers, South Australia does not experience tsunamis or cyclones.

SUMMER

Dec – Feb
Mainly hot & dry
25°C – 35°C

AUTUMN

Mar – May
Mainly dry
20°C – 25°C

WINTER

June – Aug
Cool & wet
10°C – 15°C

SPRING

Sept – Nov
Little rain
20°C – 25°C

STUDENTS UNDER 18

Students younger than 18 years of age can study with TAFE SA.

You will need to be 17 years old when you start your study (at the date shown on your Confirmation of Enrolment (COE)) but you can apply when you are 16 years old.

The Department of Home Affairs requires all students who are not living in Australia with their parents to have somewhere suitable to live and an appropriate adult who will be responsible for your care.

To apply for a student visa, students younger than 18 need to show the Department of Home Affairs that they have appropriate welfare and accommodation arrangements in place.

TAFE SA has approved AHN – Australian Homestay Network – Hosting Australia and International Student Alliance (ISA) ISA Student Advocates – Student Care and Support Services to provide welfare and accommodation services to these students and their families.

UNDER 18 APPLICATION PROCESS

1. Student applies to study with TAFE SA. See tafesa.edu.au/international/before-starting/students-under-18-years for further details.
2. Parent or guardian decides who will provide care and accommodation for the student, i.e. parents or a close relative, or TAFE SA approved care and accommodation providers.
3. Parent or guardian completes the welfare and accommodation arrangement form and follows the process.
4. Via the form, care and accommodation arrangements are confirmed by the nominated caregiver accepting responsibility for the student under the age of 18.
5. Once all outstanding documents are submitted to TAFE SA, the student can accept the offer. The COE and confirmation of appropriate accommodation and welfare will then be issued (upon approval).
6. Students must not travel to Australia before the day their welfare arrangements begin.

STUDENT SUPPORT

At TAFE SA, we strive to make our education programs as inclusive as possible to ensure students can access the opportunities and guidance they need to get the best possible learning and career outcomes.

ORIENTATION

As a new student at TAFE SA, you will attend an orientation program where you will get to meet other new international students and hear from current students. It is a great way to get familiar with Adelaide and settle into TAFE SA.

tafesa.edu.au/international/int-support-services

INDUCTION

In addition to orientation, you will attend a course induction and meet your lecturers and other students you will be studying with. At the induction you will receive course information, student expectation information, a campus tour, academic counselling, registration, and your timetable.

EVENTS

We understand the importance to balance study, work and a social life to maintain a student's health and wellbeing. We regularly organise international student events to build the social engagement among students. We also keep students up to date with what's on in Adelaide and around South Australia.

CAREERS AND PATHWAYS

Our career support can help you identify what you want out of study. It includes:

- > setting vocational goals based on your strengths
- > developing a career plan
- > investigating career opportunities.

Career and study pathway guidance is available for prospective students, including those with complex needs.

tafesa.edu.au/career-services

COUNSELLING AND WELFARE SUPPORT

If you're experiencing problems that have an impact on your study, we can help you build the resilience and wellbeing that you need for life's ups and downs:

- > dealing with study stress
- > motivation and organising your time
- > feeling anxious or depressed
- > relationship issues or conflict
- > financial or welfare issues
- > coping with change or crisis.

tafesa.edu.au/counselling

LIBRARIES

Students can access a range of flexible academic support options including access to Smarthinking, our free online academic tutoring service that offers on-demand, one-on-one assistance by qualified tutors.

tafesa.edu.au/learning-support

STUDYADELAIDE

StudyAdelaide is a great source of information and support for international students. They run free competitions, giveaways and events, which are a wonderful way to meet other students and experience Australian life in Adelaide.

studyadelaide.com

ENGLISH LANGUAGE AND FOUNDATION SKILLS

Studying at TAFE SA requires that you have functional levels of English literacy and numeracy skills before you apply for and enrol in a course.

For those that need extra support, we offer a range of English Language services for our enrolled international students, including:

- > Free student conversation classes, held fortnightly during term/semester
- > Short courses in English
- > English Language Courses offering pathways to TAFE and university courses.

SPECIALISED SUPPORT

Our highly skilled Student Services team offers specialised support and wellbeing resources for students. This includes face-to-face individual assistance at most campuses as well as via phone, email or online via Microsoft Teams.
