Why choose TAFE SA?	01
Adelaide and South Australia	04
Course List	06
How to Apply	IBC

With **professional teachers, outstanding facilities,** personalised learning, **clear pathways to University** and strong connections to industry, **TAFE South Australia** equips graduates with the right **skills and knowledge for career and life success.**

Why choose TAFE SA?

*“I’m looking for **real skills** and a **brilliant career**”*

TAFE SA learning is centred on professional, real life skills and practical, hands on learning.

- > Courses are designed with industry to teach the skills that employers need.
- > Small group, intensive teaching for learning success
- > Professional and dedicated teachers with industry connections and experience
- > Current teaching materials, technology and great facilities mean real learning
- > Work placements* give students the opportunity to work in their field as part of their course
- > Accredited courses recognised by industry and employers

With your TAFE SA qualification you'll gain an internationally valued qualification with real life, industry and career focused skills giving you the competitive edge in your career.

**Not all courses include work placements. Check the course description for your selected TAFE SA course.*

*“I’m looking for a **clever pathway to University**”*

TAFE SA offers you many paths to University and the career that you want.

Packaged University Offers – TAFE SA, the University of Adelaide and the University of South Australia together can offer you guaranteed University entry*, credit toward your degree and a single visa with packaged university offers under the streamlined visa processing arrangements.

- > Credit Transfer – successful completion of many TAFE SA qualifications offer substantial credit towards a University degree meaning that you may be able to complete your degree in less time and at a lower cost.
- > University entry – Completion of a TAFE SA Certificate IV provides you with eligibility for University entry at most Australian universities

Studying with TAFE SA, you will also have the advantage of studying in a supportive environment gaining skills and knowledge in your field before starting University.

** Dependent on successful completion of the TAFE SA program. Other conditions may apply.*

*“I’m looking for a **supportive study environment and great facilities**”*

Learning with TAFE SA means hands on teaching, dedicated teachers and accessible student support services.

- > Small classes give you personalised attention and intensive support
- > Hands on teaching in professional facilities for career ready skills
- > Student support ensures that your studies are successful

Learning in our state of the art facilities means that skills are ready to apply in real life.

TAFE SA industry standard facilities include:

- > Nursing, dental and veterinary clinics
- > IT suites with current technology
- > Professional kitchens and restaurants
- > Fashion workshops
- > Art, design and construction studios
- > Hair and beauty salons

Our Student Support Services set you up for success and include:

- > International Student Support Counsellor
- > Orientation
- > Airport Pick up and Accommodation Service
- > Counselling
- > Academic Learning and English Language Support

*“I want to **improve my English Language skills**”*

TAFE SA English language teaching can provide you with the right course and the English language skills that you need for study with TAFE SA, university study, increasing your IELTS score or professional registration.

TAFE SA English Language courses offer:

- > Flexible and intensive programs
- > Affordable fees
- > Personalised attention and small classes
- > Experienced and qualified teachers
- > The skills that you need for TAFE SA and University study, life and career

South Australia and Adelaide

South Australia has urban excitement and beautiful wilderness. The capital city, Adelaide has the facilities of larger cities with the beauty and convenience of a compact city.

Beautiful

Big enough to be exciting and small enough to be welcoming, Adelaide has been ranked as one of the top 10 cities in the world by Lonely Planet and appeared on the New York Times list of places to visit in 2015.

Students will enjoy the open spaces, diverse food, vibrant festivals, music and entertainment scenes, beaches and shopping. There are plenty of restaurants, cafés and supermarkets with food from just about every country.

Sydney is only a two hour flight away and Melbourne forty five minutes from Adelaide, so exploring is easy. Adelaide is an easy city to walk or ride around with good public transport.

International students receive concession fares and students with an international license can drive.

Safe and welcoming

Adelaide is a safe and welcoming city. With more than 120 nationalities represented in South Australia, it's a multicultural hub, accepting of all races and religions.

Affordable

Adelaide's low living costs means that students enjoy great quality of life with rent, transport and food more affordable than most other Australian cities. Adelaide is 19% more affordable to live in than Melbourne and Sydney. (Source: Study Adelaide).

StudyAdelaide

StudyAdelaide supports International students with information, support services and free competitions, giveaways and events. Joining StudyAdelaide is a great way to make friends and experience life in Adelaide.
