5 REASONS TO STUDY A TAFE SA UNIVERSITY PACKAGE

1. GET WORK EXPERIENCE

Many TAFE SA programs include work placements that give you valuable industry experience and make you more employable.

2. PART-TIME JOBS

Work placements undertaken as a part of TAFE SA studies may lead to part-time job opportunities in your field of study.

3. PAY LESS IN TUITION FEES

TAFE SA prides itself in having more affordable tuition fees than many of our competitors.

4. TRUST AND QUALITY

We are a trusted government organisation with some of the most impressive training facilities in South Australia.

5. TWO QUALIFICATIONS

In some courses, graduate with at least two qualifications in the time it takes most students to achieve one.

CONSIDER TAFE SA AS YOUR PATHWAY TO UNIVERSITY

Studying at TAFE SA could provide you with a pathway into university. TAFE SA offers numerous University Packaged Programs in partnership with South Australian universities.

TAFE SA graduates can also take advantage of TAFE SA to Uni credit transfer arrangements which can shorten the time it takes to complete a university degree or lighten the study load.

SAVE TIME, SAVE MONEY

What's more, because your completed content is recognised, you don't have to repeat the same content at university – saving you not only time, but money.

SAVE ON YOUR DEGREE

Studying at TAFE SA is a smart choice that can save you money. Our tuition fees are very competitive. Your TAFE SA qualification also provides credit towards your university degree, so you can complete your degree in less time and save money.

EXAMPLE OF SAVINGS

Maria wants to complete a Bachelor of Engineering (Honours) at university. This will cost her around \$52,300* (AUD) for each year of the four-year degree, or around \$209,200 (AUD) overall.

Maria has chosen to study the Associate Degree in Electronic Engineering (066407J/CRS1400029) at TAFE SA which costs around \$21,135* (AUD) a year or around \$40,270 for the two-year course.

When Maria completes her TAFE SA study, she will gain two years credit to go on to complete her Bachelor degree at university in two years.

By the end of the four years, Maria will have earned two qualifications: an Associate Degree in Electronic Engineering (066407J/CRS1400029) and a Bachelor of Engineering from one of Adelaide's top universities, all while making significant financial savings.

UNIVERSITY PACKAGED PROGRAMS

Our packaged programs offer you an alternative way of achieving your end goal of a bachelor degree.

Successful completion of a TAFE SA Diploma, Advanced Diploma or Associate Degree guarantees* you entry into a connected undergraduate program at one of Adelaide's finest universities. In most instances, it also reduces the length of time you are required to study at university and therefore the cost of your bachelor degree.

By applying for a University Packaged Program, students receive a joint offer from both TAFE SA and Adelaide University or Flinders University and may apply to the Department of Home Affairs for a single visa for the duration of the whole study program.

ADVANTAGES OF A UNIVERSITY PACKAGED PROGRAM

- > A guaranteed* pathway to university for students who are looking for a practical pathway to university.
- > Students will be able to apply for a single visa for the entire duration of both programs.
- > Guaranteed entry into selected university programs.*
- > Guaranteed credits may shorten the duration of qualifications and reduce tuition fees over the total duration of study program.**
- > Graduate with a dual qualification from both TAFE SA and a university (for example Advanced Diploma/ Bachelor Degree).
- > Graduate with a competitive mix of practical and theoretical skills.

- > In addition to this, credit transfer is available to ensure that your TAFE SA studies are recognised as being equivalent in content and level to parts of other education programs, including university degrees.
- > Gain industry connections during your studies at TAFE SA that can lead to part-time employment in your field of study for the duration of your university studies.
- > Graduate with a career-competitive mix of practical and theoretical skills, which is attractive to employers.

HOW TO APPLY

If you are applying for a University Packaged Program, you only need to submit one application through the TAFE SA online application system.

Further details of the application specifics for Packaged University Offers are available on the TAFE SA website at tafesa.edu.au/international/university-pathway-programs

DISCLAIMER

As TAFE SA courses are continually being developed, improved or replaced, you are advised to confirm all details of the course on the website tafesa.edu.au/international before application. Every effort has been made to ensure that the information contained in this publication is up-to-date at the time of printing. TAFE SA may amend details without notice and for any reason in response to changing circumstances. Further, TAFE SA reserves the right to change the content, course fees or the method of presentation of any course, or to withdraw any course that it offers.

In addition, fees listed are valid for students enrolled in the 2026 academic year only. Students enrolled in new programs should be aware that annual course fees could be subject to an increase for each year of study at TAFE SA. You will be liable for these fee increases, as well as any other incidental fees, on acceptance of your offer from TAFE SA.

Please check the TAFE SA website for current information and additional details.

UNIVERSITY PACKAGED PROGRAM DISCLAIMER

All durations are approximate. Credit given towards a university program may reduce overall course duration and/or study load. Students applying for a university pathway will need to meet the university's English proficiency requirements before they enter their bachelor degree course. Course fees may be subject to yearly increases. For some pathway courses, students are required to take certain electives during their TAFE SA qualification to be eligible for the full credit amount.
