# About our plan

TAFE SA has made this plan to make sure everyone is included at TAFE SA.

**Participate**

Being included means everyone can participate and join in.

This plan will make things better at TAFE SA for people living with disability.

This plan is called the Disability Access and Inclusion Plan.

The plan will happen between 2020 and 2024.

We spoke to lots of different people to make the plan:

- > Students who are enrolled at TAFE SA.
- > Staff who work at TAFE SA.
- > People who work and care for people living with disability.
- > People in the Community.

TAFE SA will make sure the plan will happen.

- > Each part of the plan has things to do.
- > We have a group that will check the plan is working.
- > They will talk to people about the plan.
- > They will make changes to the plan if it needs changes to make it better.
