

How to Guide

Windows - Install Google Chrome

ICT Services

Install Chrome on Windows using Internet Explorer

1. [Go to Chrome download page](#)
2. Click "Download Chrome" button

3. Click save on box at bottom of screen

4. The box text will change to show the download has completed

5. Click Run button to start install (you may be prompted to allow changes)
6. Once install has completed Chrome will start:
Windows 7: A Chrome window opens once everything is done.
Windows 8 & 8.1: A welcome dialog appears. Click Next to select your default browser.
Windows 10: A Chrome window opens after everything is done.

If you've used a different browser, like Internet Explorer or Safari, you can import your settings into Chrome.
