

How to Guide

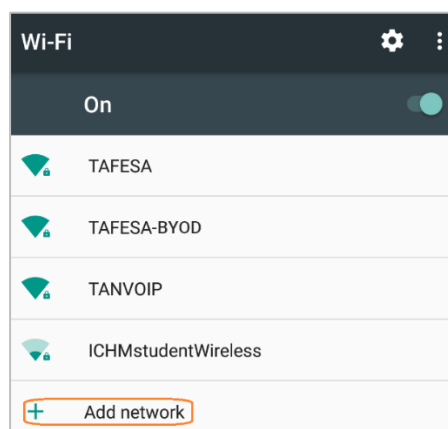

Connect to TAFE SA Wi-Fi Android Phone or Tablet

ICT Services

1. Ensure you are in range of TAFE SA Wi-Fi (for example, in the campus library or common student area).
2. Double-slide down the notification bar at the top of the screen, and press-hold the **Wi-Fi icon**.

3. On the Wi-Fi screen select **+ Add network**.

4. Enter the details as shown below and then select **Connect**.

- Network name – TAFESA-BYOD
- Security – 802.1x EAP
- EAP method – PEAP
- Phase-2 authentication – MSCHAPV2
- CA certificate – Do not validate
- Identity - Your TAFE SA username
- Password – Your TAFE SA password

Add network
