

School Enrolled Students VET Referral

Part A - Secondary School to complete

Complete Part A to enable the training provider to undertake an assessment of the student.

The school and training provider **MUST** retain a copy of this completed form for documentary evidence and monitoring purposes, which will be emailed to you once the referral is finalised.

Next steps

Once you click submit an email notification will be sent to the training provider for them to complete Part B. You will receive a notification once Part B is complete and the referral progresses to Part C if the student is accepted to enrol into the course.

The parent/guardian or independent student/student aged 18 years or older must then complete Part C of this form to give approval to proceed to enrolment with the training provider.

Once Part C is finalised by the Parent/Student, a copy of the completed referral will be provided to all involved.

Note that if the student is found not suitable at this time, Part C will not be sent to the parent/guardian or independent student/student aged 18 years or older. In this situation only the training provider and the school will receive a copy of the completed referral.

Checklist

- If applicable, the school confirms the student is FLO enrolled in a government school.
- The school confirms the student and/or parent/guardian has agreed on the selection of the preferred training provider.
- The school is satisfied that the method of delivery and duration of the course is appropriate for the student.
- The school acknowledges the training provider may invoice the referring school for any applicable course or incidental fees, if the student is accepted into the course.
- The school confirms the student and/or parent/guardian have been advised there may be fees the school may invoice them for, if the student is accepted into the course.
- The school confirms they have explained to the student and/or parent/guardian that completion of this referral form does not guarantee enrolment into the course and that the training provider will assess the student's suitability, support needs and literacy and numeracy via the VET Readiness Orientation (VETRO) process to determine if they are ready.
- The school agrees to the student accessing learner Support Services or TAFE SA Student Services, through the training provider, at no cost, while in the course to support a successful training outcome where needed.

For more information on consent to access additional personal and learning supports, see [VET for School Students Fact Sheet](#).
