ACKNOWLEDGEMENT OF COUNTRY

TAFE SA acknowledges the traditional owners of the land. It is a privilege to be sharing this land on which we live, work and learn.

We recognise that this land has always been a place of teaching, learning and knowledge sharing. We acknowledge the deep and enduring spiritual connection the First Nation's people have to this land and their ongoing contributions to education.

TAFE SA recognises that Aboriginal and Torres Strait Islanders have maintained their culture, heritage, beliefs, languages, and lores and these are of ongoing importance.

We commit ourselves to learning from the wisdom and knowledge of the Traditional Owners and to fostering a spirit of respect, inclusivity, and reconciliation within our community.

WHY TAFE SA?

TAFE SA's courses for school students are designed for students in Year 10 to Year 12. They provide the opportunity to learn specific industry skills and gain credit towards a nationally recognised qualification such as a certificate, diploma or advanced diploma, all while students undertake their South Australian Certificate of Education (SACE).

WHY TAFE SA?

Our courses are designed in partnership with industry to give students the practical, hands-on skills and experience that employers value. Students gain access to our state-of-the-art facilities and learn from industry experts, ensuring they graduate with a competitive edge.

HOW DO I SIGN UP?

To apply for any of the courses you see in this guide, speak to your school's career counsellor or VET coordinator.

For any questions please contact your VET coordinator or call us on 1800 882 661.

WHAT ARE THE OPTIONS?

TAFE SA has a large range of courses available for school students in 2025. There are three different ways to study with us. You can choose either: a Flexible Industry Program, Stackable VET, or school-based apprenticeship or traineeship.

TOP REASONS TO CHOOSE TAFE SA FOR SCHOOL STUDENTS IN 2025

1. FLEXIBLE INDUSTRY PROGRAM

The South Australian Government's Flexible Industry Program is available for students turning 16 years or older and enrolled in Year 11 or Year 12 in 2025. Students will study with TAFE SA while undertaking their SACE, and graduate with a nationally recognised qualification from Certificate II to Certificate III level, in one of South Australia's growth industries.

For students to be eligible for a Flexible Industry Program course, students are required to first complete the VET Readiness Orientation (VETRO). Refer to Page 56 regarding VETRO application process.

2. SPECIALISED COURSES FOR SECONDARY STUDENTS ('STACKABLE VET')

As well as the qualifications available through the state government's Flexible Industry Program, TAFE SA has additional accredited courses especially for high school students. These courses are part of the South Australian Government's 'Stackable VET' program and provides students with highly valued vocational skills, prepares them for the workplace and allows them to try out different areas before committing to a qualification. 'Stackable VET' courses may also earn credit towards a student's SACE. 'Stackable VET' programs are available for Year 10, Year 11 and Year 12 students and are generally delivered one day per week unless specified otherwise.

3. SCHOOL BASED APPRENTICESHIPS AND TRAINEESHIPS

Secondary school students can begin an apprenticeship or traineeship in Years 10, 11 or 12, combining paid employment and structured work-related training as part of their SACE. This allows students to earn while they learn, and graduate with on-the job training and skills.

TAFE SA's school-based apprenticeships and traineeships courses are not listed in this guide. Instead, visit www.tafesa.edu.au/apply-enrol/secondary-school-courses/school-based-apprenticeships-and-traineeships for the list of school-based apprenticeship and traineeship courses currently available or, if the course you're interested in is not listed, please contact TAFE SA on 1800 882 661 as we may be able to design bespoke training to meet your needs.

STACKABLE VET
20 STAGE 2 SACE CREDITS

COST \$1650

DURATION 12 DAYS

NOMINAL HOURS 140

DELIVERY LOCATION TAFE SA CAMPUS:
ADELAIDE COLLEGE OF THE ARTS

This course will develop skills in sound and technical production with a key focus on live audio operations and the installation and disassembly of audio equipment.

CONTENT

- CUASOU308 INSTALL AND DISASSEMBLE AUDIO EQUIPMENT
- CUASOU331 UNDERTAKE LIVE AUDIO OPERATIONS

ARTS & DESIGN

TAFE SA VET FOR SECONDARY STUDENTS 2025

CERTIFICATE III IN SCREEN AND MEDIA

NATIONAL CODE CUA31020

Learn a range of skills and knowledge across design, 3D modelling, animation, video and digital imaging. Study online by video conference 1 day per week with the convenience of having a lecturer at hand to guide you through a range of experiences in this exciting field. Use this course to explore your media specialisation for further study. Study from your home or school in your region.

COURSE TYPE

Flexible Industry Program, suitable for students in Year 11 or Year 12.

COURSE DELIVERY

1 day per week over 31 weeks.
Delivered online for most school sites.
May be delivered face-to-face at Western Technical College in 2025.

DAY, TIME & DATES

Every Thursday during SA school terms, 9:00am - 4:00pm. Offered once per year at the commencement of semester one.

SACE CREDITS

Students can gain between 65-75 Stage 2 SACE credits on completion of this qualification, dependent on units chosen.

REQUIREMENTS

It is recommended that students do not have a full study band at school if they also wish to study this course. This course contains some complexity in handling software and will require two hours of homework per week, and six hours on each delivery day. Schools should consider acquiring the software listed in incidentals, along with individuals requiring a webcam, microphone, a computer with at least 8gb of RAM and stable internet access.

COURSE FEES

Subsidised co-payment \$1256.

STUDY MODE

Online. In 2025, may be delivered face-to-face at Western Technical College

INCIDENTALS

Students will participate in the program from their school or equivalent where approved by their school. Students will require access to Adobe Creative Cloud and Autodesk Maya software and a WACOM (or equivalent) tablet. Homework is an additional two hours per week.

SELECTION CRITERIA

Students must meet Flexible Industry Program eligibility criteria.

DELIVERY LOCATION

Online delivery statewide.
In 2025, may be delivered face-to-face at Western Technical College.

TRANSFORM FROM STORYBOARD TO SCREEN.

COMPETENCIES DELIVERED

Competencies and scheduled class time may differ from campus to campus.

CERTIFICATE II IN CONSTRUCTION PATHWAYS

NATIONAL CODE CPC20220

Are you looking to enter a construction apprenticeship, but would like to get a taste of the industry first? If you're looking for a pathway to a full apprenticeship in the construction industry, this course is great starting point.

This certificate II qualification is an introduction to construction trades which includes Carpentry, Bricklaying and Tiling providing a pathway to the primary trades in the construction industry.

COURSE TYPE

Flexible Industry Program, suitable for Year 11 students.

COURSE DELIVERY

1 day per week over 35 weeks.

DAY, TIME & DATES

Day and times vary from location to location.

RECOMMENDATION

Completion of CPCCWHS1001 – Prepare to work safely in the construction industry is recommended for all students undertaking construction work or training.

It is available at an additional cost of \$140 per participant.

SACE CREDITS

Students can gain between 40-55 Stage 1 SACE credits on completion of this qualification, dependent on units chosen.

COURSE FEES

Subsidised co-payment \$187.20- \$258.70.

STUDY MODE

Classroom, online and workshop.

INCIDENTALS

Students must have the following Personal Protective Equipment (that students must organise themselves approx. between \$150 and \$200) including: **Long sleeve, hi-vis shirt, Long pants, Steel capped boots, Clear safety glasses.**

SELECTION CRITERIA

Students must meet Flexible Industry Program eligibility criteria.

DELIVERY LOCATIONS

TAFE SA campuses: Balaklava, Coober Pedy, Elizabeth, Kadina, Mount Barker, Mount Gambier, Noarlunga, Port Augusta, Port Lincoln, Port Pirie, Tonsley, Whyalla.

Other locations: Western Technical College, onsite by negotiation.

COMPETENCIES DELIVERED

Competencies and scheduled class time may differ from campus to campus.

UNIT NAME	NATIONAL CODE	NOMINAL HOURS
Apply WHS requirements, policies and procedures in the construction industry	CPCCWHS2001	20
Carry out measurements and calculations	CPCCOM1015	20
Plan and organise work	CPCCOM1013	20
Undertake a basic construction project	CPCCVE1011	40
Work effectively and sustainably in the construction industry	CPCCOM1012	20

ELECTIVES

Apply basic levelling procedures	CPCCCM2006	8
Assemble components	CPCCJN2001	32
Carry out basic demolition	CPCCCM2009	32
Handle and prepare bricklaying and blocklaying materials	CPCCBL2001	16
Handle carpentry materials	CPCCCA2011	16
Handle construction materials	CPCCCM2004	16
Undertake basic estimation and costing	CPCCCM1011	16
Undertake basic installation of wall tiles	CPCCCM2013	120
Use construction tools and equipment	CPCCCM2005	96
Use bricklaying and blocklaying tools and equipment	CPCCBL2002	30
Use solid plastering tools and equipment	CPCCSP2002	80

Course requires 5 core and 5 elective units. Elective units will vary by delivery location.

APPROX. TOTAL HOURS: 288-398 DEPENDING ON UNITS

ELECTROTECHNOLOGY

CERTIFICATE II IN ELECTROTECHNOLOGY (CAREER START)

NATIONAL CODE UEE22020

This course opens the door to careers in the high-tech electrotechnology industry. The growing industry requires qualified tradespersons in the areas of domestic and commercial electrical installations, electrical power generation and distribution, telecommunications and security systems, air-conditioning and refrigeration, instrumentation and process control, renewable and sustainable energy, and electric vehicles and rail transport.

You will learn the fundamental electrical knowledge and skills to be work ready. It also provides a pathway to those who are wanting to gain an apprenticeship as an Electrician. If an apprenticeship is obtained many of the units are transferable to Certificate III in Electrotechnology Electrician (UEE30820).

The Electrotechnology industry highly regard this course as a benchmark for applying for apprenticeships with major South Australian electrical companies.

COURSE TYPE

Flexible Industry Program, suitable for Year 11 students.

COURSE DELIVERY

1 day per week over 12 months.
Regional locations and block delivery available upon negotiation with TAFE SA.

DAY, TIME & DATES

8:00am - 4:30pm, starting Term 1.
Day and times vary from location to location.

SACE CREDITS

Students can gain up to a maximum of 50 Stage 1 SACE credits on completion of this qualification, dependent on units chosen.

COURSE FEES

\$267

STUDY MODE

Classroom and simulated work environment onsite.

INCIDENTALS

Students/Schools must purchase two course textbooks (Electrical Trade Practices 2e and Electrical Principles 4e), which can be purchased via TAFE SA at a cost of \$170 per student, or can be purchased via an alternate bookstore. Students must have the following Personal Protective Equipment (that students must organise themselves approx. between \$150 - \$200) including:
Long sleeve hi-vis shirt, Long pants, Steel capped boots, Clear safety glasses.

SELECTION CRITERIA

Students must meet Flexible Industry Program eligibility criteria.

DELIVERY LOCATIONS

TAFE SA campuses: Berri, Elizabeth, Mount Gambier, Murray Bridge, Noarlunga, Port Augusta, Port Pirie, Regency, Tonsley, Whyalla.

Other locations: Western Technical College, onsite by negotiation.

COMPETENCIES DELIVERED

Competencies and scheduled class time may differ from campus to campus.

UNIT NAME	NATIONAL CODE	NOMINAL HOURS
Apply work health and safety regulations, codes and practices in the workplace	UEECD0007	20
Carry out routine work activities in an energy sector environment	UEECD0009	40
Identify and select components, accessories and materials for energy sector work activities	UEECD0021	20
Prepare to work safely in the construction industry	CPCCWHS1001	10
Provide basic sustainable energy solutions for energy reduction in residential premises	UEERE0021	40
Provide solutions and report on routine electrotechnology problems	UEECD0038	60
Use routine equipment/plant/technologies in an energy sector environment	UEECD0052	40
Solve problems in single path circuits	UEECD0046	40

ELECTIVES

Apply environmentally and sustainable procedures in the energy sector	UEERE0001	20
Attach cords and plugs to electrical equipment for connection to a single phase 230 Volt supply	UEERL0001	20
Fabricate, assemble and dismantle utilities industry components	UEECD0019	40
Fix and secure electrotechnology equipment	UEECD0020	20
Produce products for carrying out energy sector work activities	UEECD0033	40

Course requires 8 core and 5 elective units to complete qualification.

COMMUNITY SERVICES

If you're passionate about people and social justice, get the skills to work in the community, and be a part of something bigger.

Community services workers work with the aged, people with disabilities, children, or those in need of refuge or advocacy.

They can also promote social benefit to the community through recreation, education and employment.

COMMUNITY SERVICES

CERTIFICATE II IN COMMUNITY SERVICES

NATIONAL CODE CHC22015

This course provides skills for working within the broader community services as well as transferable skills for many other industries. It is an entry level course. Not all electives are included below; alternative units may be selected, in consultation with TAFE SA staff, to suit schools' individual needs. This qualification may be used as a pathway for workforce entry as community service workers who provide a first point of contact and assist individuals in meeting their immediate needs. At this level, work takes place under direct, regular supervision within clearly defined guidelines.

Further study pathways include:

- > Certificate III in Community Services (CHC32015)
- > Certificate III in Early Childhood Education and Care (CHC30113)
- > Certificate III in Individual Support (CHC33015)

COURSE TYPE

Flexible Industry Program, suitable for Year 11 students.

COURSE DELIVERY

1 day per week over 32 weeks. Some locations (Victor Harbor) may request delivery on 2 days per week over 1 semester (20 weeks) or block workshops over 6 months, to be pre-arranged by the schools prior to course commencement.

DAY, TIME & DATES

Commences in February. Various days and times, depending on delivery site.

SACE CREDITS

Students can gain up to a maximum of 40 Stage 1 SACE credits on completion of this qualification, dependent on units chosen.

COURSE FEES

Subsidised co-payment \$182-189 (depending on units).

STUDY MODE

Blended, with online delivery, face-to-face workshops and independent work.

DELIVERY LOCATIONS

TAFE SA campuses: Elizabeth, Port Pirie, Kadina, Victor Harbor.

COMMUNITY SERVICES

TAFE SA VET FOR SECONDARY STUDENTS 2025

EARLY CHILDHOOD EDUCATION

CERTIFICATE III IN EARLY CHILDHOOD EDUCATION AND CARE

NATIONAL CODE CHC30121

Develop the skills and knowledge you need to inspire and support children as an Early Childhood Educator. You could work in a childcare, preschool, classroom, out-of-school-hours care or even a community education setting. The Certificate III in Early Childhood Education and Care is the minimum requirement for employment in the early childhood industry.

COURSE TYPE

Flexible Industry Program, suitable for Year 11 students.

COURSE DELIVERY

2 days per week - 1 day per week for delivery, 1 day per week for 30 weeks in total for vocational placement over 2 years (76 weeks).

Year 1 – 1 day per week delivery (40 weeks) and 1 day per week vocational placement (20 weeks)

Year 2 – 1 day per week delivery (33 weeks) and 1 day per week vocational placement (23 weeks, plus an additional day before placement for first aid.)

DAY, TIME & DATES

Wednesday, 9:00am - 3:30pm
February to December (may vary depending on campus). Not all units are offered during regular school hours and students may need to attend classes outside of school hours. Negotiation may occur regarding additional time for

vocational placement due to training package requirements.

SACE CREDITS

Students can gain up to a maximum of 155 Stage 2 SACE credits on completion of this qualification, dependent on units chosen.

COURSE FEES

Subsidised co-payment \$1,866.60.

STUDY MODE

Online delivery, virtual and physical face-to-face workshops and simulated work environment on campus.

INCIDENTALS

Students are required to undertake a **DHS Screening Check**. Students are also required to pay for and attend **Responding to Risks of Harm, Abuse and Neglect – Education and Care (RRHAN-EC)** (\$88.00) (subject to change) before attending vocational placement.

SELECTION CRITERIA

Students must meet Flexible Industry Program eligibility criteria.

INDIVIDUAL SUPPORT

CERTIFICATE III IN INDIVIDUAL SUPPORT (AGEING)

NATIONAL CODE CHC33021

Individual support workers play a vital role in helping to meet the needs of our ageing population. They are empathetic, patient and detail-oriented carers who assist in promoting the wellbeing and independence of older people. The Certificate III in Individual Support (Ageing) is a course teaching the theory, skills and practices required to begin a rewarding career in the aged care sector. This course provides skills for work primarily undertaken in residential aged care facilities under direct or regular supervision within clearly defined organisational policies, guidelines and service delivery plans. It is also accepted by various community-based service providers.

Further study pathways include:

> Diploma in Nursing (HLT54121)

COURSE TYPE

Flexible Industry Program suitable for Year 11 students. Year 12 students are welcome to apply however will not complete qualification by end of Year 12 which may impact SACE and ATAR.

COURSE DELIVERY

18 months (60 weeks) including placement.

DAY, TIME & DATES

Part-time, days and time vary by campus. Not all units are offered during regular school hours and students may need to attend classes outside of school hours. Placement may occur during school holidays.

RECOMMENDATION

It is recommended that students do not have a full study band at school if they wish to also study this qualification at TAFE SA.

Kitchen, classroom and simulated work environment.

INCIDENTALS

Students undertaking Certificate II in Cookery are required to wear a Commercial Cookery uniform: **traditional chef trousers** (chequered); **white chefs jacket** (double breasted); **white 3/4 wait apron**; **white flat top (skull) cap**; **1 hairnet**; **3 tea towels**; **knives and small equipment** (approximate cost of uniform \$150).

Where possible students are asked to supply their **own knife kit** with at least a 25 cm chef's knife, 10 cm paring knife and peeler as a minimum. An approximate cost for these items will be to \$150.

Each TAFE SA campus can advise students on suppliers.

Please note: Some TAFE SA campuses will supply knives for use during class but students will need to enquire with the TAFE SA campus they are attending on what may be available as items are limited.

SELECTION CRITERIA

Students must meet Flexible Industry Program eligibility criteria.

DELIVERY LOCATIONS

TAFE SA campuses: Barossa, Berri, Elizabeth, Mount Barker, Mount Gambier, Noarlunga, Port Lincoln, Port Pirie, Regency and Whyalla.

Other locations: available upon negotiation with TAFE SA, can be delivered on a school site – approved inspection required.

Some campuses may need to run classes through the school holidays to ensure the qualification is completed in the school year time frame.

FOOD GLORIOUS FOOD.

COMPETENCIES DELIVERED

All units listed are offered in the part-time group during normal school hours.
Elective units delivered are subject to change per delivery location.

UNIT NAME	NATIONAL CODE	NOMINAL HOURS
Clean kitchen premises and equipment	SITHKOP009	13
Participate in safe work practices	SITXWHS005	12
Prepare dishes using basic methods of cookery	SITHCCC027	45
Receive, store and maintain stock	SITXINV006	20
Use food preparation equipment	SITHCCC023	25
Use hygienic practices for food safety	SITXFSA005	15
Work effectively in a commercial kitchen	SITHCCC034	60

ELECTIVES

Participate in safe food handling practices	SITXFSA006	40
Prepare and present simple dishes	SITHCCC024	25
Prepare appetisers and salads	SITHCCC028	25
Prepare Asian appetisers and snacks	SITHASC021	45
Prepare stocks, sauces and soups	SITHCCC029	35
Prepare vegetable, fruit, egg and farinaceous dishes	SITHCCC030	50

This course requires 7 core and 6 elective units.

APPROX. TOTAL HOURS: 385 - 400, DEPENDENT ON UNITS.

INFORMATION TECHNOLOGY

Set yourself up to provide IT support in a broad choice of organisational settings with a high-level working knowledge of systems including hardware, software, networking, security, database management and troubleshooting.

CERTIFICATE III IN INFORMATION TECHNOLOGY

NATIONAL CODE ICT30120

Develop technical skills in software application, cyber awareness, digital media, generalist IT support services, networking, programming, systems and web development. Throughout this course you will also build industry essential skills that are transferable across multiple sectors. Skills such as critical thinking, problem solving, presenting and customer service to support a range of technologies, processes, policies and clients. This course also offers a pathway to future study, including:

- > Certificate IV in Information Technology (ICT40120)
(Systems Administration Support), (Networking), (Programming),
(Web Development), (Cyber Security – 22603VIC)
- > Diploma of Information Technology (ICT50220),
(System Administration Support & Cloud Engineering),
(Advanced Networking & Cloud Engineering),
(Advanced Programming), (Back End Web Development),
(Cyber Security)

COURSE TYPE

Flexible Industry Program, suitable for Year 11 students.

COURSE DELIVERY

1 day per week over 12-18 months (37 or 46 weeks). The 12-18 months delivery will include a minimum of 6 hours of contact per week, plus an expectation of another 6 hours of self-study time.

DAY, TIME & DATES

Students can either attend TAFE SA for one day a week release for classroom led courses. Online delivery upon negotiation with TAFE SA.

Schools would be expected to make sure students have time to adequately study the material and have appropriate staff available for support.

Schools can augment the TAFE SA delivery as they see fit for their cohort of student and timetables etc.

Face-to-face classes only at TAFE SA Elizabeth, Adelaide City, Berri and Mount Barker campuses. Online classes are available also.

SACE CREDITS

Students can gain a maximum of 65 Stage 2 SACE credits on completion of this qualification, dependent on units chosen.

COURSE FEES

Subsidised co-payment \$1296.

STUDY MODE

Campus or online.

INCIDENTALS

This course also has an incidentals cost of approx. \$300 for **1TB SSD portable hard drive, webcam** (required for online students only) and **headset with microphone** which students must purchase themselves prior to course commencement.

SELECTION CRITERIA

Students must meet Flexible Industry Program eligibility criteria.

DELIVERY LOCATIONS

TAFE SA campuses: Adelaide City, Berri, Elizabeth.

Other locations: Australian Maths and Science School, onsite (pending site visit) and online delivery available upon negotiation with TAFE SA.

COMPETENCIES DELIVERED

Competencies and scheduled class time may differ from campus to campus.

UNIT NAME	NATIONAL CODE	NOMINAL HOURS
Apply introductory programming techniques	ICTPRG302	40
Develop and extend critical and creative thinking skills	BSBCRT301	40
Identify IP, ethics and privacy policies in ICT environments	ICTICT313	50
Provide ICT advice to clients	ICTSAS305	40
Securely manage personally identifiable information and workplace information	BSBXCS303	40
Work in a team	BSBXTW301	40
ELECTIVES		
Build simple web pages	ICTWEB304	40
Identify and report online security threats	BSBXCS302	30
Install and test network protocols	ICTNWK311	40
Operate application software packages	ICTICT214	60
Run standard diagnostic tests	ICTSAS308	20
Use advanced features of applications	ICTICT312	40

Course requires 6 core and 6 elective units to complete the qualification.

APPROX. TOTAL HOURS: 480

MINING, ENGINEERING & AUTOMOTIVE

TAFE SA provides industry-leading education for the mining, engineering and automotive industries. Students will learn from industry experts as they build the skills and knowledge needed by industry.

AUTOMOTIVE

CERTIFICATE II IN AUTOMOTIVE SERVICING TECHNOLOGY

NATIONAL CODE AUR20520

Get the skills to identify, inspect and service the mechanical and electrical components as may be found in light and heavy vehicles, outdoor power equipment, bicycles, marine craft and motorcycles. This entry-level qualification is designed to help you build a foundation of basic knowledge to help you prepare for a career in the automotive industry.

COURSE TYPE

Flexible Industry Program, suitable for Year 11 students.

COURSE DELIVERY

1 day per week over 3-4 semesters (up to 65 weeks depending on location). Block delivery available at some sites.

DAY, TIME & DATES

Intakes commence in Semester 1 each year, mid-year may be negotiated. Dates and times vary between locations.

RECOMMENDATION

Delivery hours may vary depending on the elective units undertaken.

SACE CREDITS

Students can gain up to 50 Stage 2 SACE credits on completion of this qualification, dependent on units chosen.

COURSE FEES

Subsidised co-payment \$273.

INCIDENTALS

Students must have the following Personal Protective Equipment (that students must organise themselves approx. \$150) including: **Long sleeve hi-vis shirt, Long pants, Steel capped boots, Clear safety glasses.**

STUDY MODE

Classroom, online and workshop.

SELECTION CRITERIA

Students must meet Flexible Industry Program eligibility criteria.

DELIVERY LOCATIONS

TAFE SA campuses: Barossa, Berri, Elizabeth, Kadina, Mount Barker, Mount Gambier, Murray Bridge, Noarlunga, Port Augusta, Port Lincoln, Port Pirie, Whyalla.

Other locations: Eastern Fleurieu School, Horizon College (Balaklava), Playford College, Riverton and District School, Western Technical College. Delivery at school sites can be negotiated with TAFE SA, post site inspection.

COMPETENCIES DELIVERED

Competencies and scheduled class time may differ from campus to campus.

UNIT NAME	NATIONAL CODE	NOMINAL HOURS
Carry out servicing operations	AURTTA104	20
Follow environmental and sustainability best practice in an automotive workplace	AURAEA002	25
Follow safe working practices in an automotive workplace	AURASA102	20
Identify basic automotive faults using troubleshooting processes	AURATA001	20
Inspect and service braking systems	AURTTB101	20
Inspect and service cooling systems	AURTTC001	10
Inspect and service steering systems	AURTTD002	10
Inspect and service suspension systems	AURTTD004	10
Inspect and service engines	AURTTE104	20
Inspect and service final drive assemblies	AURTTQ001	5
Inspect and service drive shafts	AURTTQ103	5
Inspect, test and service batteries	AURETR115	10
Use and maintain tools and equipment in an automotive workplace	AURTTK102	20

ELECTIVES

Balance wheels and tyres	AURTTJ011	10

Inspect and service petrol fuel systems	AURTTF101	25
Remove, inspect and refit light vehicle wheel and tyre assemblies	AURLTJ113	20
Remove, inspect, repair and refit light vehicle tyres and tubes	AURLTJ102	40
Select and supply automotive parts and products	AURSCA101	100

Course requires 13 core and 7 elective units, other elective units may be offered across different campuses.

APPROX. TOTAL HOURS: 420 (DEPENDING ON UNITS)

INTRODUCTION TO AUTOMOTIVE

STACKABLE VET

10 STAGE 1 SACE CREDITS

COST \$1150

DURATION 10 DAYS

NOMINAL HOURS 75

DELIVERY LOCATION TAFE SA CAMPUS: ELIZABETH, NOARLUNGA, MOUNT BARKER. **OTHER LOCATIONS:** REGIONAL CAMPUS AND SCHOOL SITES AVAILABLE UPON NEGOTIATION

INCIDENTALS STUDENTS ARE TO PROVIDE THEIR OWN PPE – LONG SLEEVE HI-VIS SHIRT, LONG PANTS, STEEL-CAPPED SHOES AND CLEAR SAFETY GLASSES. APPROXIMATELY \$200.

This course equips students with skills in working safely and effectively in an automotive workshop environment. Students may progress into the Certificate II in Automotive Servicing Technology.

CONTENT

AURASA001	APPLY AUTOMOTIVE WORKPLACE SAFETY FUNDAMENTALS
AURLTJ113	REMOVE, INSPECT AND REFIT LIGHT VEHICLE WHEEL AND TYRE ASSEMBLIES
AURTTA002	ASSIST WITH AUTOMOTIVE WORKPLACE ACTIVITIES
AURLTA101	IDENTIFY AUTOMOTIVE MECHANICAL SYSTEMS AND COMPONENTS
AURAF102	READ AND RESPOND TO AUTOMOTIVE WORKPLACE INFORMATION

ENGINEERING

CERTIFICATE II IN ENGINEERING PATHWAYS

NATIONAL CODE MEM20422

This qualification delivers broad-based underpinning skills and knowledge in a range of engineering and manufacturing tasks which will enhance the graduates' entry-level employment prospects for apprenticeships, traineeships or general employment in an engineering-related workplace.

COURSE TYPE

Flexible Industry Program, suitable for Year 11 students.

COURSE DELIVERY

1 day per week over 35 weeks.
Additional homework is required to manage the online components to complete the qualification (approx. 80 hours).

DAY, TIME & DATES

1 day a week from 9:00am - 4:00pm.
Day and times vary from location to location.

SACE CREDITS

Students can gain between 50-60 Stage 1 SACE credits on completion of this qualification, dependent on units chosen.

COURSE FEES

Subsidised co-payment \$247 - \$273.

INCIDENTALS

Students must have the following Personal Protective Equipment (that students must organise themselves approx. \$150 - \$200) including:
Long sleeve hi-vis shirt; Long pants; Steel capped boots; Clear safety glasses; Riggers gloves (approx. \$5-\$10); **Welding gloves** (approx. \$8-\$25).
TAFE-SA requires that all students wear a PAPR helmet (powered aid purifying respirator). All TAFE-SA welding campuses have PAPR helmets for students. For school sites where TAFE-SA delivers this qualification, the Schools are required to supply the helmets for students to use. School Students do not need to supply their own PAPR helmet (unless they wish to).
When training is conducted at locations other than a TAFE SA campus, additional costs may apply.
For further information contact TAFE SA on 1800 882 661.

STUDY MODE

Classroom and simulated work environment onsite.

SELECTION CRITERIA

Students must meet Flexible Industry Program eligibility criteria.

DELIVERY LOCATIONS

TAFE SA campuses: Balaklava, Barossa, Berri, Elizabeth, Mount Gambier, Murray Bridge, Port Pirie, Whyalla.

Other locations: Findon Technical College, Western Technical College, and onsite by negotiation.

**BUILD
YOUR
FUTURE.**

COMPETENCIES DELIVERED

Competencies and scheduled class time may differ from campus to campus.

UNIT NAME	NATIONAL CODE	NOMINAL HOURS
Develop a career plan for the engineering and manufacturing industries	MEMPE005	20
Interact with computing technology	MEM16008	20

CERTIFICATE II IN RESOURCES AND INFRASTRUCTURE WORK PREPARATION

NATIONAL CODE RII20120

This qualification reflects the roles of individuals who perform mainly routine tasks and procedures, using limited practical skills and fundamental operational knowledge, and taking some responsibility for the quality of the work outcomes.

This Certificate II in Resources and Infrastructure Work Preparation is a pathway qualification and will prepare an individual to successfully undertake a sector specified Certificate III from the Resources and Infrastructure Industry.

COURSE DELIVERY

1 day per week over 36 weeks.
Additional homework is required to manage the online components to complete the qualification (approx. 1 hour per unit). In some sites, this may be delivered in 2-3 day blocks in a week.

DAY, TIME & DATES

One day a week from 9:00am - 3:00pm.
Day and times vary from location to location.

PACKAGING RULES

Total number of units = 9
4 core units plus 5 elective units of which:

- > At least three (3) must be chosen from Group A
- > No more than two (2) may be chosen from Group B
- > No more than one (1) unit may be chosen from elsewhere within this training package, or from another endorsed training package, or from an accredited course.

Elective units must be relevant to the work environment and the qualification, maintain the overall integrity of the Australian Qualifications Framework alignment and contribute to a valid vocational outcome.

There is one prerequisite in the imported units listed in this qualification. Where a unit is imported as an elective care must be taken to ensure that all prerequisites specified are complied with.

SACE CREDITS

Students can gain up to 35 Stage 1 SACE credits on completion of this qualification, dependent on units chosen.

COURSE FEES

Subsidised co-payment \$120.90 to \$175.50.

STUDY MODE

Classroom and simulated work environment onsite.

INCIDENTALS

Students must have the following Personal Protective Equipment (that students must organise themselves approx. \$150) including: **steel caps boots, hi-vis vest, long trousers.**

SELECTION CRITERIA

Students must meet Flexible Industry Program eligibility criteria.

DELIVERY LOCATIONS

TAFE SA campuses: Port Pirie, Whyalla.

Other locations: Other sites by negotiation.

COMPETENCIES DELIVERED

Competencies and scheduled class time may differ from campus to campus.

TAFE SA VET FOR SECONDARY STUDENTS 2025

PRIMARY INDUSTRIES & SCIENCE

Work with animals and plants, on the land or in the lab. TAFE SA primary industries and science courses can lead to careers in animal or veterinary care, laboratory technology or conservation and natural resource management.

AGRICULTURE

CERTIFICATE II IN AGRICULTURE

NATIONAL CODE AHC20122

Develop the skills needed to gain an entry level role in agriculture or go on to further study in the field. You will learn key skills in a number of agricultural industries, including livestock production and/or cropping. Students are able to pathway to the Certificate III in Agriculture (AHC30122), which has higher levels of livestock health and welfare.

COURSE TYPE

Flexible Industry Program, suitable for Year 11 students.

COURSE DELIVERY

1 day per week over 12 - 18 months, depending on delivery location.

DAY, TIME & DATES

Part-time: various locations, day and times vary (rolling intake students must be enrolled at least 1 week prior to commencement of unit to be undertaken).

RECOMMENDATION

It is recommended that students do not have a full study band at school if they wish to also study this qualification at TAFE SA.

SACE CREDITS

Students can gain between 80-85 Stage 1 SACE credits on completion of this qualification, dependant on units chosen.

COURSE FEES

Subsidised co-payment \$377 - \$412.75.

STUDY MODE

Classroom and access to a working farm with appropriate facilities to complete the practical requirements for each competency.

INCIDENTALS

This course has an incidentals fee of \$45 which covers the following: **Ear muffs; Riggers gloves; Spray suit; Nitrile gloves; Safety glasses.** Students must have the following Personal Protective Equipment (that students must organise themselves approx. \$150 - \$200) including: **Long pants; Steel capped boots; Sun protection (hat); Long sleeve shirt.**

SELECTION CRITERIA

Students must meet Flexible Industry Program eligibility criteria.

DELIVERY LOCATIONS

TAFE SA campuses: Barossa, Mount Gambier, Port Lincoln.

Other locations: onsite and other locations by negotiation.

COMPETENCIES DELIVERED

Not all units listed below are offered in the part-time group during normal school hours. Students may need to attend other classes to meet all the competencies.

UNIT NAME	NATIONAL CODE	NOMINAL HOURS
Participate in environmentally sustainable work practices	AHCWRK211	30
Participate in workplace communications	AHCWRK213	40

DELIVERY LOCATION
TAFE SA CAMPUS: GILLES PLAINS

This course assists students in developing the skills and knowledge required to communicate effectively in an animal care workplace, understand and comply with infection control policies and procedures and contribute to work health and safety in an animal care workplace. Students will work with multiple animal species. Certificate II in Animal Care is a preferred pre-requisite for this course.

CONTENT

ACMGEN315 COMMUNICATE EFFECTIVELY WITH CLIENTS AND TEAM MEMBERS
ACMINF301 COMPLY WITH INFECTION CONTROL POLICIES AND PROCEDURES IN ANIMAL CARE WORK
ACMWHS301 CONTRIBUTE TO WORKPLACE HEALTH AND SAFETY PROCESSES

CERTIFICATE II IN ANIMAL CARE

NATIONAL CODE ACM20121

This is a practical-based, industry-valued qualification for students wanting an entry level pathway into the animal care industry. Students will gain experience in handling multiple species of animals and undertaking various animal husbandry tasks, in a practical animal care environment.

This qualification is also the pre-requisite to the Certificate IV in Veterinary Nursing.

COURSE TYPE

Flexible Industry Program, suitable for Year 11 students.

COURSE DELIVERY

Metropolitan students: On campus for 1 day per week (Wed or Fri) over 13 weeks PLUS 78 hours compulsory online delivery and tutorials (3 hours each Tuesday and Thursday for 13 weeks).

Regional students: 3 on campus blocks of consecutive days (13 days, dates to be advised) plus 78 hours compulsory online delivery and tutorials (13 weeks, Tuesday and Thursday each week).

SACE CREDITS

Students can gain up to 55 Stage 1 SACE credits on completion of this qualification, dependent on units chosen.

COURSE FEES

Subsidised under VFSS approx. \$260. Fees are payable at the beginning of each semester.

STUDY MODE

Blended: Online with virtual classrooms and on-campus practical workshops.

INCIDENTALS

There is an incidental fee of \$40 that includes a **scrub top and PPE**. Students are to provide their own long trousers and fully enclosed shoes.

SELECTION CRITERIA

Students must meet Flexible Industry Program eligibility criteria.

DELIVERY LOCATION

TAFE SA campus: Gilles Plains.

FURTHER INFORMATION

TERMS AND CONDITIONS

- > Applications must be submitted via a VET referral form (available through your School VET coordinator).
- > For Flexible Industry Program Courses, students must meet the following eligibility criteria:
 - An Australian citizen or,
 - A permanent Australian resident or,
 - An eligible visa holder
 And you must be:
 Enrolled in Year 11, 12 or 13 and are 16 years of age or turning 16 years of age in the year of enrolment, and are undertaking SACE or equivalent and,
- Have relevant industry exposure, accredited training, or SACE curriculum-based project work
- Entitled to receive a subsidised place if they access and complete a maximum of: one Certificate II course, and one Certificate III course
- Undertake the VET Readiness Orientation including an upfront assessment of needs
- > For Stackable VET courses, applicants must be Year 10, 11 or 12.
- > Minimum numbers must be achieved for the course to proceed.
- > Places are limited if there are more applications than places available, applicants will be ranked by date of application.
- > Application open and closing dates apply.

DELIVERY AND ASSESSMENT

- > Delivery and assessment methodologies differ for each course.
- > Generally, delivery and assessment will involve a combination of attendance, practical and theoretical activities, and home assignments. Further information about specific course delivery and assessment can be obtained from the program contacts listed.

FEES AND PAYMENT

- > Fees for each course are listed and are correct as at April 1, 2024 and are subject to change.
- > Invoices for the full fee amount will be issued to the student's school and sent to the school VET coordinator.
- > For Flexible Industry Program qualifications there is no refund after 4 weeks of the course commencement.
- > For VET Stackables there is no refund after the commencement of the course.
- > An invoice will not be generated until minimum numbers for the course are confirmed.
- > For information on refunds and the criteria under which refunds can be granted, please see TAFE SA's refund policy available at tafesa.edu.au/apply-enrol/fees-payments/withdrawals-refunds

RESULTS

- > Students will be informed of results.
- > Students' results will be issued to the school through the VET coordinator at the designated resulting times.

DUTY OF CARE

- > Students who participate in any of these courses remain under the duty of care of the school.

Where possible, the program contact will liaise with the school regarding absentee students.

For any other specific queries or concerns, liaise with the program contact listed on the relevant course page.

STUDENTS RIGHTS AND RESPONSIBILITIES

- > Students and staff at TAFE SA have a right to work and study in an environment free from harassment, discrimination or threatening behaviour.
- > Students that enrol at TAFE SA must agree to accept and abide by the policies and procedures, follow the rules and regulations and participate in studies as directed by the program area.

Further details about student rights and responsibilities are available on the TAFE SA website including:

SACE CREDITS

TAFE SA is not responsible for SACE credits. The SACE Board recognises and grants SACE credits for appropriate qualifications, subjects, courses, or learning experiences gained by local, interstate, or overseas students. The SACE Board has recognition arrangements for students undertaking vocational education and training (VET) qualifications or units of competency from VET qualifications. The SACE Board will calculate any credits for the student in accordance with the Recognition Arrangements for Vocational Education and Training (VET) in the SACE policy.

The SACE credits listed in this guide are subject to change. For the most current information on VET in SACE please visit sace.sa.edu.au/web/vet/what-is-vet/vet-in-sace.
